

AUSTRALIA'S CONTROVERSIAL MATRON
GWEN BURBIDGE AND NURSING REFORM

JUDITH GODDEN

Australia's Controversial Matron

Gwen Burbidge and Nursing Reform

Judith Godden

With Australia's Controversial Matron: Gwen Burbidge and Nursing Reform, Godden has given us a portrait of Burbidge that is compelling and relevant for all who would understand Australian nursing today. Progressive, intelligent and committed, Gwen Burbidge is a nursing leader for all times. In this fascinating biography Godden shows us a quintessential leader whose challenges are all too familiar. This work is a major addition to nursing scholarship and an outstanding contribution to Australian nursing history.

Professor Sioban Nelson, Dean of The Lawrence S. Bloomberg Faculty of Nursing, University of Toronto, Toronto, Canada
